John 5:24-27

- I. Vs. 24 Power of His (Jesus) Word and what it yields
 - a. (Truly, Truly) indicates the seriousness and spiritual depth of what Jesus is about to say. **Jn 6:63**- Jesus Words are spirit and life; **Hebrews 4:12**- powerful and discerning **Ps 119:105**- a light for direction
 - b. The man or woman who hears these words, not just with the outer ear, but with the spiritual ear accepting it as the truth, and then spends their faith to believe that He (Jesus) is from the Father. **Matt 13:12**- to hear is a blessing granted by God.
 - c. Here is the seriousness of the matter. Everlasting life has its beginning for men and women with the Word of God. This is the regeneration of the spirit of men and women, which suffered death because of inherited sin. **John 11:25-26** Jesus is the resurrection and the life. **Eph 2:8-9** Grace through faith we are saved.
- II. Vs. 25 (Truly, Truly) upon the spreading of the Gospel
 - a. Those who are spiritually dead. **Rom 2:23** All have sinned and fallen short of the glory. **Eph 2:1-5** We were the spiritually dead, but God.
- III. Vs. 26-27 Life is in the Father and the Son
 - a. This is eternal life, not just human life. Jesus is qualified to judge man because He is fully man and fully God. Son of Man is a Messianic term. The Father has given Him authority. Remember **John 1:1-3** The Word was with God and the Word was God. **Matt 28:18** All power is given to the Son in heaven and on earth.
 - b. This judgment is eternal judgment. **Matt 25:31-46** The coming of the Son of Man
